## 2018 LEAGUE RULES (*draft*)

*Amendments from 2017 are in italics: old clauses 24 to 27 renumbered*

The first section describes General Rules, followed by sections on Advanced, Handicap, Short and Golf Croquet leagues.

### General

1. All games shall be played in accordance with the Laws of Association Croquet (6<sup>th</sup> Edition, amended 2008), the Rules of Golf Croquet (4<sup>th</sup> Edition, March 2014), The Official Rulings of Association and Golf Croquet as published from time to time by the CA and current Tournament Regulations, as published by the Croquet Association at the start of the season, unless superseded by the current NWFCC League Rules.
2. (a) The League Manager shall publish a Provisional Fixture List at least 8 weeks before the start of the League season. Clubs may re-negotiate the fixture dates with opponents and inform the League Manager within four weeks. The League Manager will then publish the confirmed fixture list and announce the final date by which all matches must be played.  
(b) If any team cannot fulfil a fixture, they must agree a new date with the opposing club and inform the League Manager prior to the date of the postponed match, otherwise the match is forfeited and a walkover awarded to the opposing team (see rule 8(b)). The exceptions being an agreed emergency or lawns being unfit for play, in which case the League Manager will declare the match void unless informed within three weeks of a re-arranged date.
3. Matches shall be played between teams of three in the Advanced Croquet and Level Play Golf Croquet leagues, whilst teams of four will apply in other leagues. Whilst the normal start times for league matches is 10:00 am, opposing captains may agree other times as appropriate, e.g. 9:30 am for Advanced matches.
4. (a) Modified games as defined in AC Law 44 shall not be played.  
(b) Local Laws as defined in AC Law 54 may be used.  
(c) Smaller lawns as defined in AC Law 2(b)(6) and GC Rule 2(b)(4) may be used subject to the approval of the League Manager. Lawns approved in previous years do not need to be re-approved unless they have been further reduced in size.
5. (a) A club may be represented only by members of that club. No player may play for more than one team in a League in any one season unless authorised by the League Manager.  
(b) Clubs should ensure players are aware of their responsibility to keep a current handicap card which should be presented at all league matches prior to the commencement of play. Players with a handicap below zero and who do not maintain a handicap card should play off the handicap allocated to their grade index.  
(c) If a player cannot produce a current Handicap Card, their captain is responsible for verifying the Handicap claimed by the player. If the opposing captain wishes to contest this claimed Handicap, they should write to the League Manager, after the match, who will contact the players club for confirmation. If any games have been played off the wrong handicap, they will be retrospectively conceded and the match result amended accordingly.
6. (a) If a member of a team fails to play a game or fails to play to the agreed time limit the game shall be conceded.  
(b) One player shall not play both balls for a side in a doubles game. If one member of a side fails to arrive by the start of the game his/her ball shall be placed on the first or third corner and deemed to have been played by the absent player. If the defaulter arrives late he/she shall be allowed to join his/her partner and play his/her ball from the position in which he/she finds it.
7. (a) If weather conditions render the host's ground unfit for play the venue for the match may be changed by mutual agreement in order to meet the agreed date but a record of the original venue shall be kept for the purpose of deciding venues in future years.  
(b) If bad weather affects playing conditions during the course of a match team captains may agree whether individual games or the match should be abandoned after considering opportunities for transferring play to other lawns. As far as is reasonable the 'in-player' wishing to persevere in poor conditions should be allowed to do so.  
(c) If captains fail to reach agreement the following test shall apply: a lawn is deemed unplayable if it is impossible to hit a ball the full length of the lawn along a North-South line which is not obstructed by a hoop or the peg. The captain who believes that the lawn is playable shall nominate a member of his/her team to demonstrate this by hitting a ball along a line chosen by the opposing captain.  
(d) If a game within a match is abandoned it is declared void unless both team captains and players involved can unanimously agree the result.  
(e) The match result shall be the score of the games completed plus those decided according to rule 7(d) provided the number of games thus counted equals at least half the number that should have been played. Otherwise, the match is declared void. The match will remain void unless the league manager is informed within three weeks of a re-arranged date. The re-arranged match may consist of just the games not completed in the abandoned fixture subject to the agreement of both captains and the same players fulfilling the unplayed games, otherwise the whole match must be replayed.
8. (a) Two league points shall be awarded for winning a match and one point for a draw. In the B Level Advanced League, up to 2 bonus points may be awarded to a losing team, depending on the increase in total Team Index as follows:

Total Increase in Team Index	Bonus Points
0 - 9	0
10 to 19	1
20 or more	2

- (b) In the event of a walkover the match shall be scored 4-0 for a Handicap match, 9-0 for a Short League match, 10-0 for a Golf format matches and 3-0 for a B Level match with the winning side earning 2 points.
- (c) The results of matches shall be reported immediately to the League Manager by the host captain.
- (d) At the end of the season the total number of points gained by each team shall be calculated and the team with the highest number of points in each League shall be declared the winner. In the event of a tie on match points, the team with the higher or highest number of net game points shall be declared the winner. In the event of a tie on match points and net game points the winning team will be the winner of the match between the teams. If this was drawn the League Manager will arrange a tiebreaker to be played in whatever form he decides.

2017 LEAGUE RULES (continued)**

9. In the event that the captains involved are unable to resolve an issue concerning the interpretation of these rules the following procedure will apply: The host captain shall provide the opposing captain with a written statement of the facts within seven days. If this captain agrees with this statement he/she shall forward it to the League Manager with a statement to this effect but add no further comment. If he/she disagrees with the statement of the facts he/she should forward it to the League Manager together with his/her statement with a copy to the host captain. The League Manager shall decide the issue and send copies of his decision to both captains and the Federation Chairman.
10. In the event of a dispute between opponents relating to the conduct of one or more of the players which affects the outcome of the game and which cannot be resolved to the satisfaction of all parties at the time, the matter shall be referred to the League Manager or other member of the NWFCC Committee in accordance with the Disciplinary Procedure adopted on 07 November 2009.

**Advanced and Handicap Association Croquet**

11. (a) In the B Level league, matches will be played between teams of three, comprising one doubles and four singles games, each player must have a minimum handicap of ½ and the total team handicap must have a value of at least 6.  
(b) In the Handicap leagues, matches will be played between teams of four, comprising one doubles and six singles games.
12. There shall be no restriction on pairings in doubles. The singles shall be arranged as far as possible in descending handicap order subject only to no person playing the same singles opponent twice.
13. (a) Time limits for games shall be 3 hours in the Adv. B Level, 3 hours in the Midweek Handicap and 3 hours 15 minutes in the Weekend Handicap leagues. Shorter time limits are permissible providing both captains agree.  
(b) Time lost for stoppages shall be added to extend the time limit as agreed by the captains.
14. (a) In handicap games players must play off their current CA handicap, or if none, their club handicap, subject to a maximum of 24 in singles and 20 in doubles.  
(b) Handicaps for doubles pairs are the average of the individual player's handicaps in each pair.  
(c) Handicap games shall be played full bisque to base 8.
15. Paragraph 3(b) of Appendix 3 to the Croquet Association Rules regarding the taking of bisques in handicap doubles games played to a base shall not apply.

**Short Croquet**

16. Lawn settings shall be in the same proportion as for a full lawn i.e. a NS length unit of 1/5 of the lawn's length and an EW width unit of 1/4 of the lawn's width.
17. Time limits shall be 1 hour 30 minutes.
18. Games shall be full bisque handicap games.
19. Players shall play to their Short handicap subject to a maximum of 10.
20. A player with a Full Lawn handicap shall play off either his/her Short Croquet handicap or the Short Croquet handicap equivalent of his/her Full Lawn handicap whichever has changed most recently. A player's Short Croquet handicap shall be adjusted whenever his/her Full Lawn handicap reduces and thereafter be subject to the Automatic Handicapping System.
